

## The Guelph Country Club 2015 Mixed Scramble Schedule

Due to the enormous success of the Mixed Scramble events in 2014, we are pleased to announce that we are adding an event in May of 2015 and wanted to share the dates for the events this coming year so that you can mark your calendars in advance.

Dates for the 2015 Mixed Scramble Events:

Fridays: May 15<sup>th</sup>, June 12<sup>th</sup>, July 10<sup>th</sup> and August 14<sup>th</sup>  
Registration opens at 4:00pm --- Shotgun start at 4:30pm

### All Four Dates Include:

9 Holes of Golf, Hors D'Oeuvres, A Fantastic Meal and live entertainment:

Members: \$30 all inclusive.

Non-Members: \$50 all inclusive.

Dinner only: \$30.00

The 9 hole scramble and dine is the perfect venue for everyone, from the most seasoned golfer to those new to the sport. This format allows experienced golfers to hone their skills and is a perfect opportunity for new golfers to try the game without the pressure of stroke play.

Our scramble events are inclusive and non-competitive. Our goal is for you to enjoy the "fun of golf" in two and a half hours, followed by a sumptuous barbeque buffet dinner on the patio with live entertainment.

Laughter, great conversations and an opportunity to participate in a 50/50 draw with your "Toonie" are guaranteed. The only prizes up for grabs are great memories of enjoyable golf, the social atmosphere and a wonderful dining experience.

Book as a single, a couple, or bring a guest. Everyone is welcome for golf and dinner. If your schedule does not permit for golf, feel free to join us for **dinner only**. Last year, at all of our events the 68 spots for golf were sold out, and more than 90 people would enjoy each of the dinners. Please sign up as soon as you can and let us know if you will be participating in **golf and dinner**, or **dinner only** to secure your spot and provide the kitchen with an accurate count on the number of diners.

### Save the date: Friday May 15<sup>th</sup>, 2015.

Sign up in person for the first event starting April 20<sup>th</sup>, or contact:

Paul Walton in the pro-shop or Rod at Jesse's by phone or email:
