

## Information Sheet – Ladies’ League - 2021

---

All women members of The Guelph Country Club are invited to join the Tuesday Ladies’ League. The Ladies’ League is organized by an Executive Committee who volunteer their time and talents to promote golfing and camaraderie at our club. An annual social fee is collected for Tuesday Ladies’ League expenses.

### **The Ladies’ League Executive Committee for the 2021 Season is:**

Captain: Celia Ferguson	Treasurer: Cathy Densmore
Assistant Captain: Teresa Kane	Secretary: Sue Martyn
Twilight Co-ordinator: Sue Cunningham	Past Captain: Fran Tymchysen

### **Ladies’ League annual fees:**

Fees are due in April. Payment by e-transfer, cheque or cash. Make cheques payable to GCC Ladies’ League. e-transfer should be sent to [gccladiesgolf1@gmail.com](mailto:gccladiesgolf1@gmail.com)

### **Tuesday Ladies’ League (18-hole & 9-hole players):**

Each Tuesday morning during the golf season, the golf course is reserved for Ladies’ League play. Both 18-hole players and 9-hole players participate together. It is our goal that each season, all women members have golfed at least once with every other woman member.

Prior to each Tuesday, players sign up to play that week. Groups and tee times are distributed by Sunday night. Tee times start at about 8 am and proceed until about 10 am.

### **Tuesday - Weekly Game – Score Cards (18 hole & 9 hole players):**

Keep your own score on your own card. Also, a Group Score Card to record hole-by-hole gross scores for each player is submitted to the ProShop. This Group Score Card is used to determine Weekly Game winners. Use your personal score card to enter your adjusted score in the Golf Canada Scoring system. Up-to-date handicaps must be maintained for the Weekly Game.

### **Tuesday- 70+ players– Birdie Trophy(aka Nasby Trophy)(18 hole & 9 hole players**

The Birdie 70+ Trophy was established by member Judy Nasby to encourage women, 70 years and over, to continue enjoying the game of golf. All season, Tuesday League net handicapped scores for 9 holes are submitted using the Group Score Card. Points are awarded each Week.

Using net handicapped scores puts all players at an equal level.

Up-to-date handicaps must be maintained to qualify. At the end of the season the 70+ player with the most points is awarded the Birdie 70+ trophy.

**Wednesday Twilight League (9 holes)**

A Twilight League on Wednesday afternoons/evenings is a 9-hole Ladies’ League and is open to both non-members and tgcc members. This is a fun league and offers non-members an opportunity to enjoy 9-holes of golf at our club on a regular weekly basis.

A small fee is collected at the beginning of the season. Non-members pay the regular 9-hole greens fees. All participants book their tee time with the Proshop, in advance.

Following the golf game, players may have dinner on the club’s patio. This is a large gathering of golfing friends, both members and non-members, who are enjoying the summer weather and a ladies’ night out.

Twilight League members are invited to the Opening Dinner in April and the Closing Dinner and Awards Night in September.

**More Ladies’ League Events**

In addition to Tuesday morning Ladies’ League golf games, there are special events and activities planned.
